Union Vale Middle School & Vail's Farm Elementary School

Two new schools on a 100-acre site

This project involved new construction of two modern education facilities, encompassing more than 250,000 s/f of construction on a 100-acre site. The **Union Vale Middle School** and **Vail's Farm Elementary School** now provide high-tech learning environments for more than 1,500 **Arlington Central School District** students.

The new middle school includes a 2-story classroom wing of secondary interchangeable classrooms, primary classrooms, science rooms, computer rooms, technology, art, homemaking, special education room and a 1-story section containing 3 gym stations, cafetorium with food service facilities, choral & instrumental music rooms, library/media center, administration and health & guidance offices.

The new 1-story elementary school contains 25 classrooms, 3 kindergartens, 6 special education classrooms, 2 gym stations, and a cafetorium with food service facilities, library/media center with library classroom, choral and instrumental rooms, art room, computer lab, health and administrative offices and a separate wing of 8 BOCES classrooms.

PROJECT HIGHLIGHTS

- U.W. Marx: General Contractor/Constructor
- 250,000 s/f new construction
- Two new schools constructed concurrently on 100-acre site
