South Tower Renovation & Bed Expansion Project

Renovations, alterations and upgrades

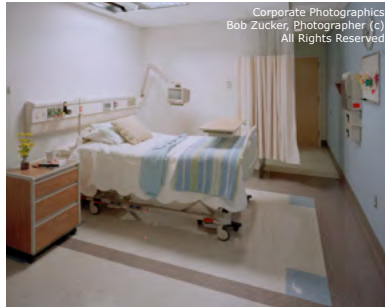

U.W. Marx Construction Company served as general contractor for this major renovation project at **Vassar Brothers Medical Center**. The project encompassed more than 26,000 s/f of the facility's 6th and 7th floors.

The **South Tower Bed Expansion Project** included extensive upgrades to the patient tower's mechanical, electrical and plumbing systems, as well as floor, wall and ceiling finishes and architectural woodwork.

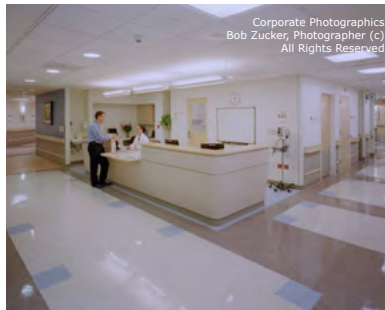

The project, completed on time and on budget, enabled the hospital to accommodate an additional 80 beds to meet the growing demand in the mid-Hudson Valley.

PROJECT HIGHLIGHTS

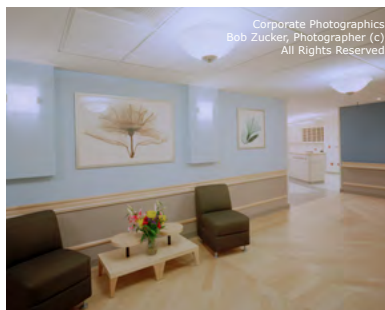

- U.W. Marx: General Contractor
- 26,000 s/f of renovations for 80 new beds
- All dust and infectious control procedures in effect
- Significant mechanical, electrical and plumbing upgrades
