## All Campus Dining Center

### *Renovations & restoration project*

The renovation of the **Vassar College All Campus Dining Center** included demolition, extensive interior renovations and installation of new electrical and mechanical equipment.

This project highlighted U.W. Marx's attention to detail and exemplary craftsmanship in creating a dining facility that retains its historic architectural charm while adding state-of-the-art features.

Included in the modern features added to the historic building was an electronic dining menu for students, faculty and campus guests.

#### **PROJECT HIGHLIGHTS**

- Renovation/restoration on an active campus
- Extensive interior renovation
- New mechanical and electrical systems
- Project combined installation of state-of-the-art features with historical architecture
