

Arlington Central School District

LaGrangeville, NY

New Elementary & Middle Schools

New construction of two modern education facilities, encompassing more than 250,000 SF of construction on a 100-acre site.

The **Union Vale Middle School** and **Vail's Farm Elementary School** now provide a high-tech learning environment for more than 1,500 Arlington Central School District students.

The middle school includes a 2-story classroom wing of secondary interchangeable classrooms, primary classrooms, science rooms, computer rooms, technology, art, homemaking, special education room and a 1-story section containing 3 gym stations, cafetorium with food service facilities, choral & instrumental music rooms, library/media center, administration and health & guidance offices.

The new 1-story elementary school contains 25 classrooms, 3 kindergartens, 6 special education classrooms, 2 gym stations, and a cafetorium with food service facilities, library/media center with library classroom, choral and instrumental rooms, art room, computer lab, health and administrative offices and a separate wing of 8 BOCES classrooms.
