

## Hudson Valley Community College

Troy, NY

In 2008, U.W. Marx was selected by Hudson Valley Community College to provide Program Management services for the school's \$190 million 2009-2013 Facility Master Plan.

As **Program Manager**, U.W. Marx will be managing and administering, from the conceptual stage through planning, design, construction, start-up and contract close-out the overall projects on behalf of HVCC. U.W. Marx will act as an advocate and agent for HVCC in achieving the college's program goals. The U.W. Marx team's responsibilities will include general program management, financial management, scheduling, planning, procurement, design management and construction management

Construction is underway on a **new 750-car parking garage**, with design beginning in late 2009 for the new \$55 million **Brahan Science Center**, registered with the U.S. Green Building Council and pursuing certification under USGBC's **LEED®** (Leadership in Energy and Environmental Design) program. Plans also include renovations to **Amstuz Hall** and **Fitzgibbon Halls**, and the eventual demolition of the existing **Brahan Hall** science building.

Since 1984, U.W. Marx has provided new construction services or renovations for numerous buildings on the HVCC campus. New construction has included **Fitzgibbons Health Technologies Center**, the new **Administration Building**, **Joseph L. Bruno Stadium**, **Viking Child Care Center** and the new **Physical Plant Building**.

Renovation projects have included work at **Guenther Enrollment Services Center**, **Dwight Marvin Library**, **Cogan Hall's** automotive facilities, **Raymond Siek Campus Center**, **Bulmer Technologies Center** and **Brahan Hall**.

U.W. Marx is proud to have been selected as the school's **Program Manager** for the 2009-2013 Facility Master Plan, and looks forward to continuing its tradition of providing quality construction services to HVCC.
