

Vassar College

Poughkeepsie, NY

All Campus Dining Center

The renovation of the Vassar College **All Campus Dining Center** included demolition, extensive interior renovations and installation of new electrical and mechanical equipment. This project highlighted U.W. Marx's attention to detail and exemplary craftsmanship in creating a dining facility that retains its historic architectural charm while adding state-of-the-art features. Included in these modern features was an electronic dining menu for students, faculty and campus guests.
