Red Hook, NY

Additions & Renovations Project

The **U.W. Marx** general contracting division performed new construction and renovation work at **Mill Road Elementary School, Linden Avenue Middle School** and **Red Hook High School**.

A 33,000 s/f addition was constructed, along with 25,000 s/f of renovation at Linden Avenue Middle School, including a new gymnasium, nine new classrooms, an 11,000 s/f six-bay bus garage addition and storage facilities.

The high school building improvements included a 22,000 s/f addition and 6,000 s/f in renovation construction (exterior and interior).

The scope of work also included construction of ten new classrooms, a four-station gymnasium, conversion of a gym/auditorium to an auditorium/large group instructional area, a new pupil personnel office, a running track, and six new playing fields.
